

Teachers Seek 12.8% More To Start

Organized teachers, members of the Placentia Unified Education Association, who already have two different types of guaranteed wage increases, are seeking a third 12.8 per cent boost in their starting salaries.

The demand is included in a 60-page proposed master contract for the 1977-1978 school year.

The wage hike in beginning pay would start a teacher at a base salary of \$10,934 for nine month's work instead of the current \$9,693.

Teachers already receive guaranteed step and column raises for longevity in the district and for meeting additional educational requirements.

Local teachers also are demanding a variety of fringe benefit requests in addition to extensive extras already accorded them. On their current list is fully paid health insurance for employees' dependents and dental and vision insurance for both employees and dependents.

A public hearing on the proposed contract will be held at 8 p.m. Monday, February 28 at a meeting of the board of trustees of the Placentia Unified School District in the District Education Center, 1301 East Orangewood Avenue, Placentia.

The public is invited to comment on the proposal during the public hearing.

The PUEA which is the exclusive bargaining agent for all the district's approximately 700 teachers, is also

demanding that teachers who do not wish to join PUEA must pay a "service fee" to the organization.

Among other demands from the teachers organization is request for binding arbitration in settlement of grievances.

The local organization which is affiliated with the California Teachers Association and the National Education Association, is seeking 75 days total per year of release/paid time for the purpose of negotiating a successor agreement

for its representatives.

Also that the private lives of its members, unless interfering with "proper fulfillment of job description" is outside the concern of the district.

Certified employee application forms and oral interview procedures shall omit any reference to the applicant's membership or preference in employee organizations, the proposal reads.

Unit members shall have the right

to have their addresses and phone numbers omitted from all public listings of employees by the district.

And all communication obtained by a unit member in the course of his professional duties is confidential and shall not, except with his consent, be disclosed to anyone unless said disclosure is required by law.

Concerning personnel files the teachers are asking that PUEA representatives be allowed to

A Closer Look

ABOUT MCFADDEN

The bulk of our local taxpayer money is spent or approved for spending by five people, members of the board of the Placentia Unified School District. They get most of our local tax dollars and they spend them for the education of our children.

A week ago Monday night they approved the expenditure of \$161,745.79. That was a light night...at least compared with the session when they passed an \$2,815,282.18 (approximate) contract for the building of the John O. Tynes Elementary School.

This money is accounted for. We know where it's going. A week ago Monday it included over \$4,463 for PUSD personnel to attend conferences and workshops. Another addition to the John Tynes building was approved at \$6,512.30 for electrical service installation.

A popular word in educator jargon these days is accountability.

Placentia Courier

Is McFadden A Liability Or An Asset?

Teachers are asked to accommodate it. We believe also it is appropriate that school trustees acknowledge its existence.

We have in mind the recent outpouring of citizens from the Mexican-American population of Placentia. They filled the board room to overflowing. They did as good a job of presenting their case as any we've seen in several years. And among them they could not get one vote from a single trustee for their petition to save their own school.

We wonder who it was that elected these five board members that they were hearing people louder who apparently were not even in the room and had not even bothered to appear.

Since the Mexican-American

citizens in the room apparently had no vote, how are they to get justice or equality under the law?

This isn't somebody else's school that we're closing. This is a school in a predominantly Mexican-American area.

Considering the fact that school busing might be stopped forever and that McFadden then could become a segregated school again and that the Mexican community might not want this, barring that possibility, what is the explanation for the following:

We have heard no one say close McFadden except staff members of the Placentia Unified School District, who have been uncommonly unanimous in their opinion.

We have heard no grassroots

clarity from any section of the district to get rid of the school.

There are a number of questions that remain unanswered. Why was anything as serious as the closing of a school undertaken without a thorough review of all the people in the community, not just a chosen few? Everybody pays taxes.

Why was the McFadden School left off the list of possible target areas for the Anaheim Alpha project which will in time amount to over \$8 million and possibly well over when as far as anyone in the public was aware, the closing of McFadden School had not even been mentioned?

Why was this not item then handed to the Educational Facilities Planning Committee for their consideration? McFadden had

already been left off the list. That's what Alpha monies are for. Facilities used by Anaheim people. That's McFadden.

Once the EFPC got it, they also got heavy recommendations from staff including an appearance by Superintendent of Schools, John O. Tynes who indicated very openly where his opinions lie. Close McFadden and bus the La Jolla youngsters to Tynes School and Rio Vista.

At the EFPC meetings committee members were given an economic picture of "expensive" McFadden which did not even include the cost of a new school to replace it, if ever one is needed in a still growing district.

Nor was it estimated what it will

cost to educate a student in the new John Tynes emporium, which already has a \$3.6 million price tag.

At no time in any of these meetings, including the school board meeting, has there ever been one word of dialogue on how McFadden might be saved and made less expensive to operate. Not one.

It was alluded to, however, that the voters, who the first time around turned down \$20 millions in school bonds for building schools, were told repeatedly (including stories and editorials in the Placentia Courier), that it was impossible to build a school that wasn't needed. No extenuating circumstances were listed. Yet we suddenly have on our hands an extra school that we don't

GUY EHRRICH SEEKS SCHOOL SEAT, SHOWN WITH SON, STEVE, WIFE CAROL AND DAUGHTER LORI.

Candidate Ehrich Happy With District

Guy Ehrich, who is being supported by the Placentia Unified School District trustee president, John Press, is seeking a seat on the school district board in the March 8 election.

A resident of Placentia for 13 years, the candidate has set his number one priority, if he is elected, on extensive renovations at Valencia High School and Kraemer Junior High School. A resident of that school area for many years, Ehrich and his family have recently moved into the Brookhaven neighborhood. "I think the district has continued to move forward," Ehrich relates. "It's not a status quo district at all. I particularly like the kinds of things

the board is doing with the public. The EFPC (Educational Facilities Planning Committee, of which Ehrich is a member) is an example of that.

"And this curriculum council they are coming up with now, I think is going to be a fantastic thing."

Concerning Valencia: "A lot of improvements have been made in the last year. Seventy-five per cent of those buildings are over 25 years old. Structurally those buildings are in good shape. The shop facilities certainly need to be enlarged.

"The girls gym facilities there are terrible. Their dressing room is underground and it floods. What

Continued on Page 13

Clairee Tynes Is Library Candidate

Clairee Tynes, who has raised five children "all of whom used the Placentia Library", is seeking one of two seats on the library board of trustees which will be filled in the March 8 election.

Mrs. Tynes, who is wife of the superintendent of schools of the Placentia Unified School District, has been active in civic work for a number of years in the city. She is currently chairman of the Placentia Founders Society, conducting a strong campaign to save the Bradford Heritage House.

As a member of the Friends of the Placentia Library for the past three years she has already become involved in library activities, serving as a member of the Friends board

and arranging publicity.

Mrs. Tynes has been a resident of Placentia since 1944. She is a native of Los Angeles and met her husband when she was a student at Mississippi Southern University in Hattiesburg where she was pursuing an education in art.

She had previously attended Fremont High School in Los Angeles, Los Angeles City College and the Chouinard Art School in Los Angeles.

"I believe the greatest joy of being on this earth is personal growth," she explains, "and that our library is one of the chief helps we have toward that end. I appreciate all that the library has

Continued on Page 13

Jack-In-The-Box Attracts SRO Crowd

An item so explosive that it filled the Placentia City Council Chambers with possibly its largest standing room only crowd, left the citizens frustrated Tuesday night as two absentees and an absence of councilmen caused a continuation of the item.

The petitioner, a Jack-in-the-Box drive through restaurant is seeking to locate in the Sierra Vista Shopping Center directly across the street from Sierra Vista Elementary School.

The crowd of nearby residents, parents and other participants previously had gathered for the recent planning commission meeting where commissioners unanimously refused the fast food restaurant a place in the center.

Murmurs went through the crowd as first Mayor George De Jesus

stated that he would have to abstain from voting because of conflict of interest and then Councilman Donald Holt immediately abstained for the same reason.

Holt explained that he is employed by one of the largest food corporations in the world. We have major dealings with Raiston-Purina, the parent company of Jack-in-the-Box, and that he also has direct dealings with the restaurant chain.

Mayor De Jesus explained that he works for Petroleum Properties Inc., for whom he is a construction manager. He also owns out properties in the district and a Jack-in-the-Box restaurant in a shopping center, he explained.

With Councilman Jack Gomez absent with the flu, there was only a

Continued on Page 2

Council Deadlocked On YMCA Trailer

The Placentia City Council found itself at an impasse Tuesday night as its numbers, with Councilman Jack Gomez absent, divided two and two concerning extending the time of use of a trailer-office for the YMCA.

The mobile home is located on the property of the Valencia United Methodist Church on Valencia Avenue, north of Bastanchury Road in a residential area.

James Thomson, speaking for the YMCA, is seeking a year's extension for use of the facility. At a recent hearing before the planning commission, commissioners had cut the use to six months with a decision that the trailer should be then be removed.

Appearing to the council, Thomson related that the YMCA first entered the Placentia area in 1915 with a program for children of migrant workers. The organization's most recent endeavors involve 400 families in the city with programs emanating from the office trailer.

Mayor George De Jesus and Councilman Donald Holt, on one side, in favor of allowing the year's extension, attempted to influence Mayor Pro Tem William Rashford and Councilwoman Virginia Farmer but to no avail.

The item was returned to the council's next meeting when Councilman Jack Gomez is expected to break the tie.

Bradford House Goes To Founders

The Bradford House, home of the founder of the city of Placentia, Albert S. Bradford, appeared on its way to a special niche in the history and function of the city this week as the Placentia City Council voted unanimously to lease the home to the Placentia Founders Society for \$1 a year.

The action followed months of uncertainty when it seemed inevitable that the home would be demolished.

Members of the Founders were elated at the news which had been anxiously awaited following special meetings with Councilman Donald Holt and Councilwoman Virginia Farmer. Holt has been active in the move to save the large, two-story house since the citizen's effort first

began.

At additional meetings members of the Founders, headed by president Clairee Tynes, drew up a proposal for the council outlining a time line for repair and refurbishing of the heritage home along with a concentrated plan for raising funds.

When the lease is drawn up and signed, the Founders organization will accept the responsibility for all expenses connected with the home without use of local taxpayers' funds. One of the first steps will be to pay the insurance on the house, which is located on old Palm Drive between Kraemer Boulevard and Bradford Avenue.

In leasing the home to the Founders Society, the city council

Hawks Seek Championship

by Brian Hilderbrand

Friday will mark the sixth time an El Dorado basketball team has made the CIF basketball playoffs.

Coach Nash Rivera's Golden Hawks will represent the Orange League in the playoffs as the second place team. La Habra is the league's champion. It is the first time in six years that the Hawks have not won the league crown.

Twice CIF champions (in 1974 and 1975), El Dorado was also once the runner-up, in 1972, to Murphy. The

Hawks will be after their third CIF championship, something no other Orange County high school has accomplished.

El Dorado will face Los Amigos of Fountain Valley on Friday in the first round game, at 7:30 p.m. If the Hawks win, they will face the victor of the Corona del Mar-Aviation contest.

Besides El Dorado and La Habra, Brea-Olinda High School will compete in the playoffs as the league's third place team.

Brookhaven Hosts Night For Candidates

Candidates for the Placentia Unified School District Board of Education, the Placentia Library District and the North Orange County Community College District will be presented on Thursday, February 24, at 7 p.m. in the Brookhaven Elementary School Multipurpose Room.

Each candidate, for the March 8 election, will be given an opportunity to state his views and this will be followed with a

question and answer period.

This event is being sponsored by the PTAs of El Dorado High School, Tuftree Junior High School, and Golden, Wagner, Sierra Vista and Brookhaven Elementary Schools. Mrs. Charlotte Tiedt will be moderator.

The public is invited to attend and refreshments will be served according to Mrs. Leida Kindelberger, Brookhaven PTA president.

Not True!

Editor's Note:

To the people who have called the Placentia Courier concerning the story in the February 16 issue on the closing of McFadden Elementary School, the quotation "All American City With Second Class Citizens Want To Save McFadden" does not convey the

Courier's sentiments.

The quotation was copied from one of the signs carried by the Mexican-American youngsters in their picket line, and described their feelings.

The Courier has strongly advocated equal treatment for all of Placentia's citizens. We do not consider anyone second class.

CLAIREE TYNES IN CAMPAIGN FOR PLACENTIA LIBRARY POST.

A Closer Look

(Continued from Page 1)

need and the explanation is declining enrollment.

Does this mean that we can continue to build new schools and close old ones with that taxpayer money that it took two elections to get?

That is a new kind of economy. Are we also saying that our solution to the ethnic problem in PUSD is that any time Anglos won't attend a school basically Mexican-American and attendance is down we'll close the facility? What recourse does that leave for the Mexican-Americans? They're on the bus for life no matter what they do. Would this be the solution if the area around Ruby Drive becomes too minority concentrated?

What about Valencia High School? Parts of it are as old or older than McFadden and enrollment is certainly down there. Repair or tear down?

We haven't even touched on the fact that McFadden's principal was

promoted to a new school before the EFPC had had a chance to make its recommendation on McFadden; and that the recreational facilities attached to McFadden are still twisting slowly in the wind with an ethereal wish that somehow they'll be saved.

And that if the McFadden facility is sold, which apparently is in the minds of the school board, that the money will then revert to the entire state of California, not to us. If Placentia taxpayers wish to be taxed twice for the same piece of property, they may be given an opportunity to pay for land they already own as members of the school district...if they wish to buy the recreational lands.

We are also astounded at a report from administrative staff that the people of La Jolla are only concerned about the recreational property of McFadden, fields and gym. If this is an accurate statement and McFadden School has so little impact on its own neighborhood that it won't be missed, then why was the principal promoted to a new school?

What is the value of a community school to a barrio? Nothing? Then surely the entire neighborhood community should have been the first to know.

—Betty Mead

LEE MCCLENDON IN RACE FOR THIRD DISTRICT SEAT ON NORTH ORANGE COUNTY COMMUNITY COLLEGE BOARD.

Lee McClendon Gives Qualifications

A native of Texas, who attended junior high school in Germany and has been a resident of North Orange County since 1969 is seeking a seat on the board of trustees of the North Orange County Community College District, section three, which includes this area.

Lee McClendon, 31, the candidate, is a member of the technical staff at Rockwell International, Anaheim, where he has served for four years as a computer systems consultant and specialist to the engineering staff.

He has been a trustee of the Yorba Linda Library District since 1973 and was recently elected president of the Orange County Chapter of the California Special Districts Association, which includes some libraries, water and other special taxing districts.

He also last year was elected to the executive committee of the California Association of Library Trustees and Commissioners.

He also serves as a director of California State University at Fullerton's Alumni Association and as an alternate delegate to the statewide Alumni Council of California State University and Colleges.

McClendon has a BA in mathematics from Cal State and has done graduate work at the university.

Three candidates are vying for the one third district seat open in the March 8 election. The other third district post is held by president of the trustees, Robert Hawthorne, Yorba Linda resident who is associated with Union Oil Company.

"I am stressing one issue very, very strongly," McClendon reports. "I live two blocks away from the property which is the future building site for the third campus in the North Orange County District. I feel that someone who lives close to the site should be on the board when they do their long range planning," McClendon explains.

The district will ultimately hold three schools. "Fullerton is pretty much at capacity," the candidate continues, "and Cypress College is a fairly new school with a lot of room to grow." Planning for the Yorba Linda site he sees further down the road but feels that it must be carefully considered well in advance.

McClendon states that he is looking forward to the new plans for

financing education that will take the burden away from the property owner. "As a trustee I would do everything I could to prevent any increase in the tax rate and if at all possible to reduce the tax rate by being very conservative on the fiscal policies that I would support."

On quality education "I think we need to concentrate on the fundamentals of education. Any so called frills or enrichment type programs should be self supporting and not detract from the basic education programs."

There needs to be a greater concentration on reading skills at the elementary and junior high and high school level so that remedial work at the college level could be held to an absolute minimum. I think an institution of higher learning should be that and really not have to expend a great deal of their resources in a remedial type of education.

The college district is faced with the replacement of top level administrators (who are retiring or changing positions). The district will need some very strong leadership from the board of trustees pending the selection of these top level administrators.

Concerning the incumbent, "I feel rather strongly that the same person should not be serving time with overlapping jurisdictions. Incumbent Sal Zavala is also a member of the board of trustees of the Placentia Unified School District."

"It seems to me that a person in that position could find himself with some divided loyalties as to which way to vote on an issue if there are competing issues between the two districts. Apparently there is not a legal conflict of interest or there would be some law that says that you cannot simultaneously serve on two districts. Regardless I think it is not a good idea."

Concerning the function of the community colleges: "I think it is very important that our community colleges are available for our students who want to continue their education above a high school level, who can't afford to go to private trade school, universities or colleges or even the University of California. We have the facilities available. I would like to help improve on what is already good."

"I think it is very important to be

Kraemer Brings Home Trophies

Kraemer Junior High School's tall flags specialty drill team Saturday was awarded first place in the city of Carson's New Horizons anniversary parade.

The group, which is part of the

color guard, competed in a four division parade.

Kraemer's band placed third in the same parade. Gary Lee is director of the band. Carol Ellis is drill team instructor.

Letters To The Editor

Vocational Center Discussed

Copy to the Courier:
Board of Education/John Tynes
Superintendent
Placentia Unified School District

As a parent and taxpayer in the Placentia Unified School District I thank you for the quality education my children are receiving; however, I also wish to express my feelings about educational needs which should be addressed.

A recent Placentia Courier article published information about the PUSD \$1,018,500 cash settlement from Anaheim redevelopment monies as well as the additional \$7,101,720 minimum to be received over the next fifteen years. Since many citizens within the Placentia Unified School District, including myself, have worked for school bond elections in the past, I would hope that these same citizens might be extended the opportunity to make suggestions for setting priorities on expenditures.

I was pleased to see a vocational high school listed as a project for which redevelopment funds might be used. Alternative schools for secondary students are badly needed.

In order to receive a high school diploma, each secondary student is required to develop a "saleable vocational skill." Therefore, relevancy to today's job market and training for that job market is of prime importance. But more important is that many nonacademically motivated students need alternative educational vocational training just to survive economically. In addition, another segment of the secondary school population in need of job training are those students with disabilities served by PUSD special education programs. Under Federal Legislation P.L. 94-142 which goes into effect next fall, up to 12 per cent of our school population may receive extra funding for special education. Within the next five years, funds will be available to develop career education programs for students with disabilities.

A vocational educational center in our community to furnish intensive job training for all students needing alternative approaches not furnished by the regular high school programs can and should be developed.

A flexible and relevant vocational center might serve other community education needs as well and might not be defined narrowly as a "high school." Some of the criteria set for a vocational center might involve the following:

(1) Primarily fill the vocational training and counseling needs of secondary students in both day and night classes.

(2) Secondly provide vocational or avocational facilities and equipment to community residents as well as secondary students on weekends. Citizens with vocational skills might welcome the chance to share their vocations with others as well as to develop avocational skills.

Jack-In-The-Box Protest

To the Editor:

To all my friends and neighbors in the area of Sierra Vista Shopping Center: Thank you and Congratulations on work well done in our fight against the establishment of a Jack in the Box Restaurant. But the job is not over.

At Tuesday night's City Council meeting one councilman was absent and two refused to vote because of conflict of interest, which left only two council members eligible to vote. So the acting chairman

A senior citizen might be very willing to share his vocational expertise with an unskilled adolescent if community vocational programs were structured so that the opportunity existed for them to work together. Funding for this program might evolve from the Civic Center Tax Fund (within the School Tax) and other community sources.

(3) Provide liaison with Orange County industrial and business firms (particularly that industry within and adjacent to PUSD school boundaries) to determine the kinds of skills needed by industry and to train students to fill these skill needs. As a by-product, furnish some type of part-time and full-time employment student placement service.

(4) Maintain liaison with NOCROP so that a good ROP program might be used in conjunction with vocational center training. Arrange transportation (OCTD, minibuses, etc.) so that students can take advantage of all available vocational training.

(5) Develop career education programs for students with disabilities (funding from P.L. 94-142).

The intensity level of vocational training should be based upon individual student needs. Students who wish to learn a "saleable vocational skill" in order to support themselves through college might require a different training level than students who are potential academic dropouts and who desperately need primary economic survival skills. The center should be flexible enough to serve needs at all levels.

Along with flexibility might come creative thinking. Could-the purchase of a new computer, the building of a school warehouse and/or more administrative offices, the expansion of bus and vehicle maintenance facilities, facility for student mothers, a communications center with closed circuit television system and the renovation of Valencia High School and Kraemer Junior High School-all be involved with teaching job skills to secondary students?

Perhaps the McFadden "dilemma" might also involve some flexibility and creative thinking. Why not consider general student vocational training needs with the McFadden residents' specific needs for a continuing orientation toward a community school? Rather than close McFadden, might it be feasible to consider this school site for a vocational center?

No matter what solutions are developed, it is my hope that the Placentia Board of Education will encourage citizens not only to present their needs and problems but to be active partners with the School Board and administrators in seeking productive problem-solving approaches for our educational system.

Carol Parker
Fullerton

continued the hearing over to March 1st.

We must protect our neighborhood and our children. I urge you to write to the City Council to express your opposition. And please come back to the meeting on Tuesday, March 1st and bring your neighbors. We must be there to prevent the City Council from cramming a drive-through restaurant right in our back yards.

Sincerely,
Mrs. Judy Conn,
Placentia

Opposed To Jack-In-The-Box

At the January 11th, Placentia Planning Commission meeting, residents were told that Jack-in-the-Box "came to this area because of a DEMAND for fast-food and drive-thru restaurants in Placentia," and that a recent survey showed a need for more fast-food restaurants.

The 731 people who signed the petitions turned in to the City Council last night didn't think so. They had never been surveyed for an opinion before.

Who are all the residents making this demand? Why don't they offer

Put Parent On Committee

Copy to the Courier:
Placentia City Council
Attention: Mr. George F. DeJesus,
Mayor
Subject: Traffic Safety Committee

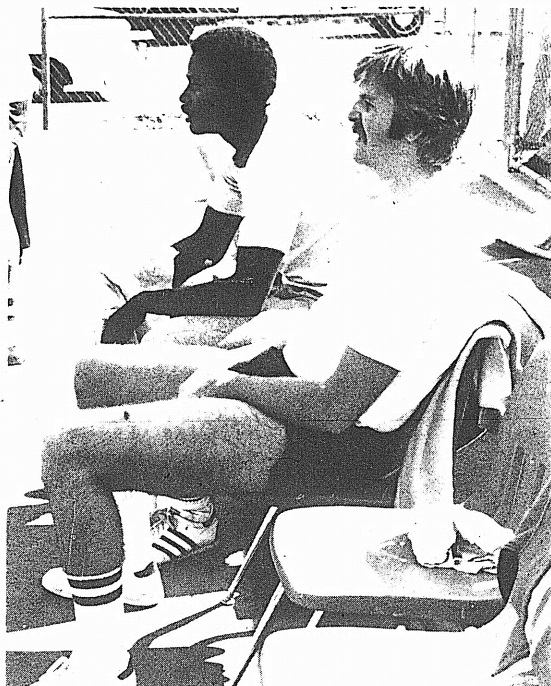

Dear Mr. Mayor:

During our P.T.A. Board Meeting, Monday, December 6, we happily discussed your positive decision regarding a permanent crossing guard at the Bastanchury and Kraemer intersection. Since you were so courteous and generous with us on this matter, we decided to approach you with another idea on a related subject.

We believe it would enhance the Traffic Safety Committee to have a parent from the community working on the committee. A parent's viewpoints would add another dimension to traffic safety considerations, problems and decision.

As you know, this is not a new idea, and was brought out last month at the City Council Meeting. We hope, since then, that you have given the idea some further consideration and that you will decide to place a community parent on the committee. Thank you.

She was identified by Joseph Robinsky who spent his money at Sav-On. [Picture by Debra Conkey].

Letters To The Editor

Register Bike Now

Copy to the Courier

Dear Parents:

Since bicycle accident injuries have increased during 1976 in the City of Placentia, the Placentia Police Department is developing a bicycle education and enforcement program. A Bicycle Safety Class will be held at 10 a.m. in June the first Saturday of each month.

The first Bicycle Safety Class will be held April 2, 1977, Saturday, at 12:30 p.m. during April and May in the Multi-Purpose Room at the City of Placentia Library.

New blue and silver bicycle licenses are now required by the State of California. They may be purchased at the Placentia Police Department, fire stations and at Spence's Bike Shop, and City Recreation Department Office.

Starting the 1st day of March 1977, citations will be issued to bicyclists. This is for the protection of the children to help prevent the many losses of bicycles.

The purpose is to guard and to

protect, not penalize or punish. You are being notified of this violation so that corrective action can be taken by you before your child is injured in a traffic accident. We therefore request your fullest cooperation.

The violator must be accompanied by a parent when appearing at the Bicycle Safety Class. Failure to attend the class on the time and date indicated will require the violator to appear at Orange County Juvenile Traffic Court with a parent or guardian.

We at Wagner have made available for you the date of February 25, 1977, Friday, between the hours of 9-10:30 a.m. to register your bike at school. You do not have to bring your bike to register. Just bring \$2 and bike serial no., owner, address, bicycle manufacturer, model, type, color.

Bicycles will not be allowed to be ridden to Wagner if they are not licensed before March 1, 1977. Please take the time now to license your bicycles.

Joan Sammons
Wagner Safety Chairperson

Bradford House

[Continued from Page 1]

also rejected several bids it had received for the demolition of the home.

The lease to the Founders is scheduled for five years with options to renew. If the Founders could not meet its obligations concerning the house, an escape clause would permit the city to take it back.

Councilman Holt in his report explained that he and Mrs. Farmer had "requested a business plan describing the work to be done (on the house) and how they (the Founders) would do it."

"Many, if not all of the Founders Society are long time Placentia residents. The people on the board, officers of the Placentia Founders Society and those on the advisory staff are all well qualified individuals in many well qualified fields. Their leadership is of the quality that can pull people together."

Mrs. Farmer asked staff to proceed with construction of the

Jack-In-The-Box

[Continued from Page 1]

two-person council left, not constituting a quorum.

The council voted to continue the item to the next, Tuesday, March 1 city council meeting when the three councilpeople remaining to vote can continue with the public hearing.

The establishment of the fast food restaurant in the shopping center has been recommended by City staff.

Nine citizens spoke at the council session against the use pointing out the traffic problems that would be created both inside and outside the shopping center which is located at Placentia Avenue and Bastanchury Road. Also objectionable were the noise, congestion and hours of operation.

Emphasized was the site's proximity to the elementary school across the street and that the restaurant might prove to be an attractive nuisance to youngsters.

One speaker presented a petition with 731 names against the use and listing 26 either in favor of or indifferent to the restaurant.

School Boundaries Drawn

Attendance boundaries for elementary schools in the Valencia High School area in Placentia have been established for next year.

Realignment of boundaries was necessary with the opening of the new John O. Tynes Elementary School scheduled for September. The new boundary decision included the closing of McFadden Elementary School, the district's oldest elementary school, and conversion of Rio Vista Elementary School in Anaheim, which was teamed with McFadden from a kindergarten - through - third grade school to a kindergarten - through - sixth - grade facility.

The decision made by district trustees was one of three options presented by the Educational Facilities Planning Committee (EFPC), a group appointed by the board of education. "The decision to close McFadden will save the district a considerable amount of money in overhead and maintenance

costs, transportation and money received from the state for student attendance," Supt. John O. Tynes alleged.

Student enrollment at McFadden is 340—about half the size of the district's other schools—and declining, he said.

In addition, the percentage of minority students will be more equalized in schools throughout the area. Currently 42 percent of the students attending McFadden and Rio Vista elementary schools are of minority backgrounds.

The recent decision will necessitate that all school youngsters in the McFadden area be bused throughout their school lives.

Boundaries for Tynes School will begin at Orangethorpe Avenue and Rose Drive, extend west on Orangethorpe to Placentia Avenue, south to the Carbon Creek Channel, east to the 57 Freeway, south to the 91 (Riverside) Freeway, east to Tustin Avenue, north to Alta Vista Street.

west to Kraemer Boulevard, south to Crowther Avenue and east to the intersection with Orangethorpe Avenue.

The only change in the Morse Elementary attendance area is the addition of the tracts bounded by Magnolia Avenue on the east, Carnation Drive, Acacia Drive, Bluebell Avenue and Madison Avenue on the north, Kraemer Boulevard on the west and Alta Vista Street on the south. Currently children from the area are being bused to Ruby and Topaz elementary schools.

The Rio Vista attendance area will include all district territory south of the 91 Freeway. North of the freeway the boundary extends west along Carbon Creek Channel to Placentia Avenue, south along Placentia to the 91 Freeway, east to the 57 Freeway and north to the channel.

All changes will be effective with the opening of school in September, Tynes said.

Gunter Backs Lower Taxes

"The people want and need lower taxes," Edward Gunter, candidate for the North Orange County Community College District Trustee seat, area 4, declares in his campaign statement.

Gunter, who lives in Buena Park and is a retail manager for May Company, states: "I am running for this office because of the higher taxes that this community faces; an increase of 42 percent in the last two years."

"Sixty-one percent of the total property tax is spent on education. With my background in business management, in the last

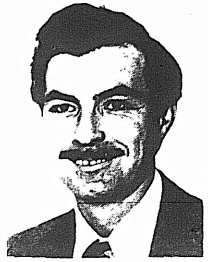

two years I have increased my selling staff by 20 percent, reduced my operating cost from 11.5 percent to 9.5 percent and increased

employee wages 20 percent.

"I can find ways to reduce the operating costs of our colleges without the loss of jobs. The people want and need lower taxes."

Gunter is married and has three children, Lori, 24; Craig, 22 and Neal, 20. He was born in St. Paul, Minnesota and served in the United States Navy. He has lived in California for 9

years and is a graduate of St. Agnes High School in St. Paul, Minnesota and has a certificate of proficiency in marketing from Cypress College. He has received the top

McClendon Has Vote

L. Lee McClendon, Yorba Linda, who is a candidate for a seat on the North Orange County Community College District board of trustees, recently participated in the selection of the first alumni representative to be seated on the Board of Trustees of the California State University and Colleges.

The trustee chosen was San Francisco business leader John F. O'Connell. The new trustee was approved completing a search and screening process which began last fall involving alumni associations from all 19 CSUC campuses.

McClendon, participating in the voting, is the representative of California

State University at Fullerton. "This appointment marks the beginning of a new era of alumni involvement in the CSUC system."

YOUR Pharmacist SPEAKS
By John Payne, Owner - Reg. Pharmacist
LINDA VISTA PHARMACY
In the United States, over a billion prescriptions are filled by the nation's pharmacies each year. Disease-fighting, life-saving drugs are always on hand at the pharmacy when your prescription requires them. There's almost no possibility that you might not be able to obtain the medicines your doctor wants you to have.
In Russia, the drug situation is less satisfactory. One government agency conducts medical research. A different agency handles production while a third independent agency takes over the distribution of the drug. Is it any wonder that Russian prescriptions often go unfilled?
Our complete stocks of tested and approved medications assure you of prompt, precise handling of your prescription. At LINDA VISTA PHARMACY we're prescription specialists.

LIST YOUR HOME FOR SALE WITH US
WE WORK HARD TO SELL HOMES RIGHT!
You're going to sell your home. Now, you must select a broker. Most promise to sell your home "fast." But there's a way to sell it that's better than just fast. And that's to sell it right — to get FULL VALUE FOR YOUR HOME — to really represent you in the sale. That's what we'll do — represent you — and we'll handle all the little details — we'll advise you on pricing, too, and we'll help you prepare for showing your home at its very best. There's much more that we do and it all takes hard work — hard work and professional dedication. At Walker & Lee, you'll find an entire team of dedicated hard workers ready to sell your home — and sell it right.
GUARANTEED PURCHASE PLAN!
Qualifying properties will be purchased at an agreed figure by Walker & Lee at the end of ninety days following the placement of the exclusive listing with us. To put it simply, if we don't sell it in 90 days
WE'LL BUY IT FROM YOU.
 The Hard-Working Record-Setters
13,889 HOMES SOLD IN 1976
We've been selling homes since 1941. When Walker & Lee handles the sale, we sell it right — right for the seller and right for the buyer. That's why we handled the sales of 13,889 homes last year. To list for sale or to find the next home you'll buy, come to the sign of the double diamonds — come to the hard-working record setters.

ROCK PANTOMINE—Dante Ochotorena, Mark Lopez, Shane Willits and Thom Dietz, from left, did a "Kiss Rock Group" pantomine at the recent Linda Vista School talent show.

Show, Social Big Success

A really fun night was had by all the students and parents of the Linda Vista School at the talent show presented by the students at the school on February 8. Nearly 300 parents and students greatly enjoyed the various skits, songs, tumbling and dancing acts which were all expertly performed. The talent show was followed by an ice cream social featuring yummy sundaes and banana splits.

Mrs. Diane Hutchison, president of the Linda Vista PTA which sponsored the event, said she was very pleased with the show and social and thanked everyone including students,

Zeltzer to Exhibit at Festival

Over 150 artists from the Southern California area, including ceramist Marion Zeltzer of Yorba Linda, will exhibit at the 17th annual Hillcrest Festival of Fine Arts to be held February 24 through February 27, at the Hillcrest Church, 2000 West Road in Whittier.

Approximately 25 of the exhibitors will also be on hand daily demonstrating their art or craft and special demonstrators are scheduled to present their talent each morning and afternoon at specific times in the Fireside Room of Barwick Hall.

Exhibits of paintings, ceramics and cloth sculpture will be featured in the Main Gallery and many beautiful pieces of metal and stone sculpture will be on view in the narthex of the Sanctuary Building.

The entire exhibit will be open from 10 a.m. to 5 p.m. Friday and Saturday, and at 11:30 a.m. on Sunday, closing at 5 p.m. This year the gallery preview will be held on Thursday, the 24th, from 5 to 9 p.m. The public is welcome to the preview and much of the exhibit will be available for purchase.

parents, PTA members and the school staff for their help in making it a huge success.

Pack 742

Cub Scout Pack 742 held its fourth pack meeting at Glenknoll School. Awards were presented to:

Todd Hitchcock, Danny Morris, Steve Lewis, Gold Arrows; David Carter and Shawn Burrnell, Wolf Badges.

Webelos awards went to: Shawn Mann, outdoorsman, scholar, sportsman, artist; Denny Lomenzo, artist, athlete, traveler, aquanaut; Ray Wolfe, aquanaut, athlete, outdoorsman; Ritchie Wolfe, Aquanaut, athlete, outdoorsman and Steve Shaffer, scholar, showman, geologist.

The theme for scouting in January being "Space and Science," each Cub was presented with a "Genius Kit" and given 15 minutes to create something original. Nicksy Figueroa won first prize for his popstick stick robot.

Cubmaster Ed Shandrew closed the meeting with an update of Cub Scout Andy Smith's condition and an outline of planned fund raising events for Andy.

TEAMS PLACE

Math teams from Yorba and Tuffree Junior High Schools tied for third place in the Marywood Math Contest in competition with 28 schools last month. Yorba's team, coached by Barbara Steinberger, included Fran Aphesetteche and Kerri Korn. Tuffree's team, taught by Martha LeBlanc, consisted of Diane Dutton and Deborah Plantamura.

Girl Scouts

The Girl Scout Council of Orange County will hold its annual Recognition Dinner on Thursday, February 24 at the Disneyland Hotel's Grand Ballroom. There will be a social hour at 6 p.m., with dinner to begin promptly at 7 p.m.

Entertainment provided by girls and adults will be

interspersed with recognitions to outstanding adults in Girl Scouting, and to friends in the community.

Music will be provided by Dr. Joe Hart and his Dixieland Band. Tickets for the dinner are \$8.75, and can be obtained by calling the Girl Scout Council of Orange County, 979-7900.

Association Sponsors Art Lecture

The Placentia Art Association will feature a lecture-demonstration on "Getting Acquainted with Your Brushes" at the regular meeting on Thursday, February 24 at the Backs Community Building, 201 North Bradford Ave.

Artist Jan Spadt will teach basic brush techniques as well as how to use sponges, steel wool, pota- toes and other unlikely tools for interesting textures and effects.

The meeting will begin at 7:30 p.m. and the public is invited.

Mary K. Relth

Candidate for Trustee of the Fullerton Joint Unified High School District.

I Support: Quality Education, providing the tools for those who aspire to a higher education. Making more vocational courses available to those who are anxious to join the work forces.

I would like to maintain for the people of the Fullerton Union High School District a superior school system in all respects including plant, personnel, and pupil welfare.

SECOND IN A SERIES OF ADS ON GOOD WATER USE HABITS!

Good Water Use Habits Conserve Water; Save Money And Energy

Let's face it. It is just as easy to adopt good water use habits as to fall into careless, wasteful ones. And to get with it, just put into practice inside your home three proven good water use habits. They will provide needed conservation help in the coming year as the great State Department of Water Resources Projects in Northern California try to recover from the depleting effects of 1976, the third driest year in California history. In addition these good habits save water, save money on "inflationized" daily water costs and save needed energy. These saving habits are:

Good Habit No. 4

Use rake to remove leaves and grass clippings. Avoid hosing this debris into gutter. It's wasteful, it's unsightly, it's unlawful!

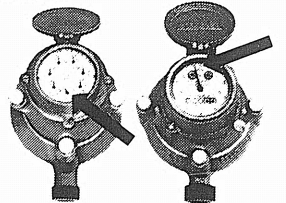

Good Habit No. 5

Be a lawn sprinkler, not a gutter flooder. It's easy. Set sprinkler to water your grass only, not the sidewalk.

Good Habit No. 6

Lastly, check your water meter for any other home system leaks. Just close all faucets. If the one-cubic foot hand moves (shown above marked with an arrow) while you're checking, then water's leaking! Make another thorough inspection. If you still can't locate the leak let us know.

So it's clear to see these days, adopting good water use habits is good for you and your savings; helps meet state-wide water conservation goals of the California Public Utilities Commission and the State Department of Water Resources, and helps the economy by saving energy throughout the year.

THE MUSIC MAKERS - Members of the "All-American College Marching Band" make their way down Disneyland's Main Street. Disney's summer work experience program gives participating students performing experience as well as the chance to learn from top professionals.

Disney Summer Music Program

College students with a desire for a professional music career have an opportunity to get work experience at Disneyland or Walt Disney World through the "All-American College Singers and Marching Band" program.

The 10-week summer program gives college freshmen, sophomores and juniors the chance to perform in the famous theme Parks and take part in educational workshops as well.

Interested students who do not have time to meet the February 10 mailing deadline may make contact at Disneyland, (714) 533-4456, ext. 144. These students will be allowed to bring their application forms to the audition.

Singers, dancers and musicians who play the trumpet, trombone, french horn, tuba, saxophones, piano, guitar, electric bass and percussion instruments may apply.

Selections for the program are made on the basis of talent, experience and potential. Auditions are mandatory and will be held in the Anaheim Cultural Center on March 7 and 8.

A total of 80 students are chosen for the program. Twenty marching band members, 12 singers and dancers and an accompanying 8-piece band are selected for each Park.

Each student receives a summer stipend and has housing and workshop costs covered through a Disney "scholarship."

Among the "unique" aspects of the program are

guest lectures by Disney staff members and noted personalities from the performing industry.

Additionally, as the program nears completion, the students become involved in writing, produc-

ing and arranging an original show of their own. At this time they put into use the experience and knowledge they have obtained during the program, adding an exciting climax to an eventful summer.

Sentencing Law Study

Assemblyman Bruce Nestande (R-Orange) participated, at the invitation of Los Angeles Police Chief Ed Davis, in a conference with other persons interested in California's Uniform Determinate Sentence Law.

Nestande indicated that "the purpose of the ad-hoc meeting was to consider the initiative process as a means of either abolishing or amending the state's Uniform Determinate Sentence Law."

Nestande stated that at the conclusion of the meeting "the various law enforcement officials concluded that they ought to support legislation which would extend for at least 6 months, the implementation of the U.D.S.L."

The new law will go into effect on July 1, 1977 unless an amendment is made to extend that date to January 1, 1978.

Nestande stated that he "would author the legislation extending the implementation date of the U.D.S.L. until January 1, 1978."

He concluded that those present "generally agreed with the concept of a determinate sentencing

procedure as a deterrent to crime" and that a consensus existed in support of amendments to the U.D.S.L.

Pack 706

Cub Scout Pack 706, under the leadership of Cubmaster Ron Ross, held its monthly pack meeting at Van Buren School. The Webelos conducted the opening.

Steven Anderson and David Carruth graduated to Boy Scouts. Steven also received the Arrow of Light Award. This is the highest award to be earned in Cub Scouting.

Steven's father received a pack "thank you" award for his help as assistant Webelos leader and as a pack committee member. John Brundell received his Wolf rank and Michael Kaminski his gold arrowhead.

Pack 706 is happy to have two new members, Michael Gillian and Mark Brundell. There are also several new committee members. They are Mr. and Mrs. Florence Aydelotte and Mr. and Mrs. Allen Miller and Mrs. Garnett Long.

Den I closed the meeting with everyone receiving special New Year treats. Future events for the pack are the Blue & Gold Dinner on February 28 and the snow trip to Camp Ahwan-nee on February 19.

Clubwomen Win Awards

Members of the Placentia Round Table and the Yorba Linda Woman's Club were among winners of awards at the 18th annual Fine Arts Festival sponsored by Orange District, California Federation of Women's Clubs.

Proceeds from the event are earmarked for support of the district's scholarship awards.

Lenore Parks of the Round Table received honorable mentions for quilting and Trash to Treasures. Round Tabler Penny Howell had a first and an honorable mention for ceramics.

Ann Becker of Round Table won the only award for quilting and third place in miscellaneous. Second place for beginners in art went to Muriel Melbye of the Round Table.

Marge Rayner of the YLWC won two awards. She took first place for Christmas decorations and was tied for first in the miscellaneous category.

Second place in crochet went to Dorothy Brough of the Yorba Linda Woman's Club and Susan Mickelson of the same club was a second place winner for mosaics.

Camp Fire Girls Fun

The Camp Fire Girls of Yorba Linda held a Father-Daughter Square Dance recently at the Bernardo Yorba Junior High School.

Caller for the evening was Jim Overholser, who did a fine job of teaching basic square dance steps to the novice dancers. Eight squares (64 people) participated in the evening's festivities.

Each girl brought a decorated box for the Dessert Box Social. Blue Birds winning prizes for their boxes were: Lisa Kessler, Most Original; Aren Rich, Prettiest; and Terry Lang, Funniest.

Camp Fire Girls winning prizes included: Maria Genovese, Most Original; Susie Shepard, Prettiest; and Christine McDonald, Funniest.

The evening was met with such enthusiasm that a Barn Dance is being planned for the Fall. Program Chairman for the event was Pat Shepard.

Self Center Symposium

Orange County's first Singles Resource Symposium will be held Sunday, February 27 at Chapman College, 333 No. Glassell, Orange, in Hashinger Hall, from 9 a.m. to 5 p.m.

The event is sponsored by The Self Center and is designed to acquaint singles, single parents, and single again persons with the numerous and varied resources available to them in the Orange County area.

Participants will hear representatives from phases of recreational, social, educational and counseling agencies and programs.

The admission of \$4 per person includes a continental breakfast. For further information contact Robert Simpson, (714) 639-1556.

GOP Women

The Yorba Linda Republican Women Federated will hold their regular scheduled monthly meeting Wednesday, March 9 at 9:30 a.m. in the home of Mrs. William Hubka (Bert), 4412 Dorthea, Yorba Linda.

Special guest speaker will be Mrs. Lois Lundburg, newly elected chairman of the Orange County Central Committee. Mrs. Lundburg, a past president of the La Habra Republican Women Federated, has been active in Republican politics since 1960.

Membership in the RWF is open to all interested women in the community. For further information call Ellie Clark, membership chairman at 524-0410 or Marianne Hodgkins, president at 524-2426.

Heart Fund Campaign

The American Heart Association, Orange County Chapter, will try to raise \$76,000 in the 1977 Heart Campaign in February. To reach that goal, more than 10,000 county volunteers are distributing life-saving information and collecting money.

"The money goes to educational and community programs in Orange County, and to research, our prime function," said Con D. Rader, chairman of the Heart Association.

"There are over two million volunteers nationally," said Rader, "and that sounds like a lot. But you must remember, heart and blood vessel diseases afflict one out of seven Americans, killing one out of every two Americans who die. Against that, we need all the volunteers and money we can get."

Rader said in-hospital heart attack deaths have gone down by 30% since the 1960's. "But the fight has just begun. We're fighting for your life and we ask you to please give generously to that cause when the volunteer calls on you."

TIGER TALK

Scribes Win

Valencia journalists captured three out of four first places in the annual District on the Spot Writing contest held recently.

Winners in the sports category were Pat Burke placing second, Roger Kaplan with sixth and honorable mentions to Andy Kelly and Armando Rivera.

Jeanette Roberts took first in feature writing while Jane Jancek placed fifth. Kent Coules and Mark Halvorsen captured sixth.

Placing first in editorials was Jeri Reed with Jami Daugherty winning third and Julia Scott, sixth place. Honorable mention went to Kathy Heiertz.

Brian Leon placed first in news, while Linda Luisi, Barbara Warren, and Bob Harley won honorable mentions.

Valencia placed second in the contest to Esperanza.

Wrestlers Second

The Tiger Wrestling team finished second in the Orange League at the February 12 performance.

Six wrestlers qualified for the CIF prelims. Steve Escarsega at 106 pounds, Mike Nava 130, and Ernie Lopez at 136.

Also Robbie Hoff at 141 pounds, Rick Lindemuth 157 and Jim Wallace heavyweight. Terry King qualified as an alternate to the team.

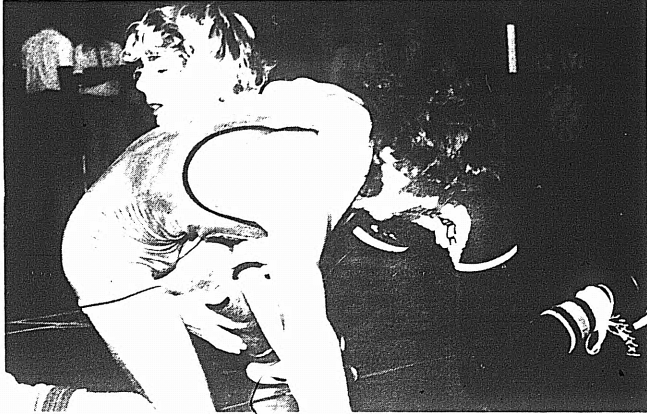

Kaufman To Leave Free Clinic

Don Blosser, chairman of the board of directors for the Placentia Community Clinic, announced today that James Salazar has assumed the position of clinic director previously held by Dennis Kaufman.

The Placentia Community Clinic is a free medical clinic serving low-income families in the Placentia area. Medical services are provided every Tuesday evening at the Whitten Center 900 South Melrose Avenue, Placentia, beginning at 6:30 p.m.

Kaufman resigned his post as clinic director and will take an extended vacation before returning to his studies in the fall. He has served as clinic director since January of 1976.

Salazar, the new clinic director, has an extensive background with the Illinois Migrant Council and was Delta Regional Director from 1975 to 1976.

MAJOR UPSET--Bill Weiskoff pulled a major upset in defeating Van Holloway from Cypress in CIF sectionals. El Dorado led the Orange League in qualifiers, with five. Valencia's Mike Nava and two boys from La Habra round out the League representatives at finals next Saturday.

LOOKING FOR A PIN--Keith Iwanaga works for a pin as the referee watches for it in CIF sectionals Saturday. Iwanaga finished first to move on to CIF finals next week at Fountain Valley. Brother Kevin will go with a fourth place finish and brother Kerry is an alternate. Also finishing in the top four for El Dorado were Bill Weiskoff (3rd), Jeff Hickok (4th), and Scott Speck (1st). The Hawks qualified five and Valencia 1 as only eight Orange Leaguers made finals.

Two Honored As Leaders Of Tomorrow

Deborah A. Delgado of El Dorado High School and Mary Coleman of Valencia High School have been selected in the 1977 General Mills Family Leaders of Tomorrow. Miss Coleman is a correspondent for the Placentia Courier.

They won the honor by scoring highest in their schools in a written knowledge and attitude examination administered to seniors throughout the country last December.

Each will receive a certificate from General Mills, sponsor of the annual Search for Leadership in Family Living, and will be considered for state and national honors.

From the ranks of a school winners in the state, a Future Family Leader of Tomorrow will be selected through judging centered on test performance and will receive a \$1,500 college scholarship. The second-ranking student in the state will receive a \$800 scholarship.

Salazar, the new clinic director, has an extensive background with the Illinois Migrant Council and was Delta Regional Director from 1975 to 1976.

Balducci Lists Support

Strong support and community interest have been expressed for the Placentia Community Clinic by the Board of Directors of the Placentia Community Clinic.

Each will receive a certificate from General Mills, sponsor of the annual Search for Leadership in Family Living, and will be considered for state and national honors.

From the ranks of a school winners in the state, a Future Family Leader of Tomorrow will be selected through judging centered on test performance and will receive a \$1,500 college scholarship. The second-ranking student in the state will receive a \$800 scholarship.

Salazar, the new clinic director, has an extensive background with the Illinois Migrant Council and was Delta Regional Director from 1975 to 1976.

County School Boards Association. Lindsay currently is a member of the board of trustees in the Centralia Elementary School District and is running for the board in the Anaheim Union High School District.

He said, "John Balducci's knowledge and experience are respected throughout the county. His work at the county level continually shows his concern for children and their educational programs and his sincere interest in providing fair and sound leadership for everyone in this vital field of education."

Civic leaders who are supporting the reelection of Balducci include Placentia City councilmen Don Holt and Bill Rashford; former Placentia mayors Bob Lyons and Vic Michel; and the city's current mayor George De Jesus.

Former Yorba Linda mayor Dale Chaput also has voiced support for the candidate, along with former Placentia councilmen Mike Callahan and Fred Aguirre.

Heading Balducci's committee for reelection are Jim Leonard as chairman and Gavle Sanneman as treasurer.

Brea Mall Is Building

Homart Development Co., developer of the 1.1 million square foot Brea Mall, near the intersection of Orange Freeway and Imperial Highway in Brea, invited local businessmen and women to check the progress of the building last week. The large structure will open in the fall of 1977.

The multi-level, climate controlled, enclosed mall will be of contemporary design, and house approximately 100 specialty stores, boutique shops and restaurants. Also represented in the major retail development will be stores built by four nationally known department store chains.

A complete Sears, Roebuck and Co. store of 156,000 square feet and including a 10,500 square foot auto service center, will be one of the four anchors. The Broadway, a three-level, 152,000 square foot department store with a 7,500 square foot auto service center and the May Company's 150,000 square foot store will also be developed at the center. A fourth department store will be added at a later date.

The master plan for the development includes sites for a restaurant, financial office complex, and cinema which will be free-standing

on the Homart property. A 29,000 square foot ice rink will be connected to the mall building. The site also includes four acres for development of a complete cultural center for Brea.

Brea Financial Center located on seven acres on the site will include

approximately 25,000 square feet of office space, a 10,000 square foot parking lot, and a 10,000 square foot restaurant.

Brea Mall will be one of the finest regional shopping centers in Orange County

and the new commercial and cultural center of the City of Brea. Besides its exceptionally fine stores, the mall will have very pleasant interior decor, comfortable and convenient seating arrangements, a rich and durable combination of terrazzo flooring and other appointments.

Merit 100's Here!

MERIT taste science applied to new low tar 100mm cigarette with impressive results.

The MERIT breakthrough technology that produced a whole new taste standard in low tar smoking has now been applied to a 100mm cigarette.

New MERIT 100's. Only 12 mg. tar. Yet packed with 'Enriched Flavor' tobacco, Tobacco fortified with certain key flavor-rich ingredients isolated in cigarette smoke and *proven* to deliver taste way out of proportion to tar.

If you smoke but haven't chosen to take advantage of the MERIT breakthrough because you prefer a longer length cigarette, you'll be interested.

Kings: 9 mg. "tar," 0.7 mg. nicotine—
100's: 12 mg. "tar," 0.9 mg. nicotine av. per cigarette by FTC Method.

Warning: The Surgeon General Has Determined
That Cigarette Smoking Is Dangerous to Your Health.

MERIT & MERIT MENTHOL. KINGS & 100's.

Because now you have your MERIT, too. Read the test results for yourself.

Test Data Conclusive

New 12 mg. tar MERIT 100's were taste-tested against a number of major 100mm brands ranging from 17 mg. to 19 mg. tar.

Thousands of smokers were tested. The results: *overall, they liked the taste of MERIT 100's as much as the higher tar 100mm brands tested.*

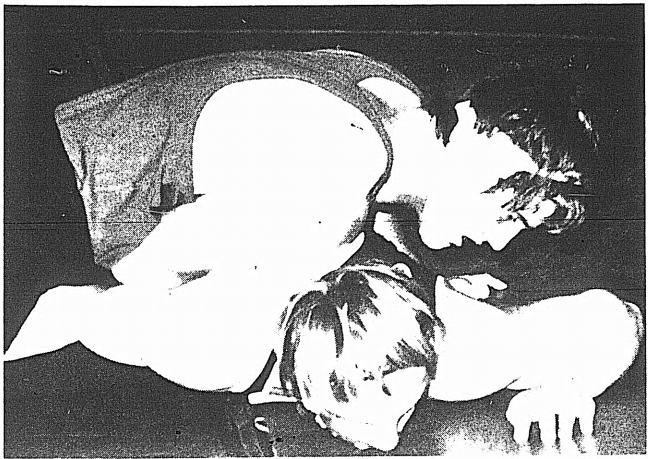

MERIT and MERIT MENTHOL. King Size and new 100's.

The taste barrier for low tar smoking has been broken again.

Gymnastics Classes

YMCA gymnastics in Yorba Linda has been very successful in the past. The instructors, Cal State Fullerton gymnasts under the direction of coach Dick Wolfe, have provided all around gymnastics instruction for over 400 Yorba Linda young people in the past year.

Two of the best instructors, Ray Latonia and Bill Boatright, will begin this year's Spring session Wednesday, March 2nd. Ray and Bill have both had two years of teaching experience and both are presently valuable members of a very strong Cal State Fullerton gymnastics team.

Beginning on March 2nd, Ray and Bill will run five gymnastic classes at Esperanza High School for different levels every Monday and Wednesday evening through June 1st. The schedule:

5:30 - 6:15 school age beginners, 6:15 - 6:45 tiny tots, 6:45 - 7:30 school age beginners, 7:30 - 8:15 intermediate (at least 2 months instruction), 8:15 - 9 advanced.

Students will be taught basic tumbling exercises, floor exercises and use of the balance beam and uneven parallel bars. All classes will be limited to 20 students, except for the Tiny Tots class which is limited to 16.

Registration for all levels, boys and girls, are now being taken at the Yorba Linda YMCA, 5035 Lakeview, just south of Yorba Linda Blvd.

Because of the popularity of the program it is suggested to interested people to sign up immediately. Classes fill very quickly. The YMCA office is open from 9 a.m. to 5 p.m. Monday-Friday. For information call 993-5111.

Preps Start Baseball

As the 1977 prep baseball season kicks off Orange and Freeway League teams will be looking forward to possible post-season play with as much success as they had last year.

El Dorado won the 2A crown but the restructured Orange League, which now has Fullerton and La Habra, who moved over from the Freeway League, will be in the 3A ranks.

Fullerton went to the 3A semi finals last season and Savanna of the Freeway loop got to the quarter-finals where they were eliminated by eventual winners, Edgewood.

The latter has been ranked number one in the nation by Prep Sports Magazine and is the favorite to repeat as the top 3A team. They play in the powerful Sierra League in the East San Gabriel Valley.

Sonora also represented the Orange League in the 1976 playoffs. They won a first round game but lost in the second round. The Freeway League's Troy High team was eliminated in a first round game in 3A.

Coyotes Edge Troy

by Scott Emblidge

Troy's basketball season ended last Friday evening with the Warriors, fittingly, losing a close game. Troy has lost seven games this year that they could have easily won and this 69-67 loss to Buena Park was no exception.

The Coyotes won the game and a playoff berth on a 20 foot shot with two seconds left. This came after Troy had made several outstanding late rallies and apparently had gained control of a game that many times they were out of.

Buena Park, which had everything to gain from a victory, opened up an early 6-0 lead against a team that had nothing to lose. The Warriors came back to trail 10-7 behind center Mark Maynard and forward Ralph Castle.

Castle opened the second quarter with a bucket to tie the game at 20 apiece but at 5:56 Buena Park went ahead 22-20. Maynard and Castle kept the game close until the end of the half when the Coyotes opened up a 40-33 lead.

Again Maynard and Castle rallied the Warriors, this time bringing the lead down to 40-38. Maynard brought it to within a single point with 4:29 remaining

in the third quarter to 46-45 and again at 2:59 with the score 50-49.

Buena Park pulled away again gaining a seven point lead but at the start of the fourth quarter, Troy had closed on buckets by Casey Royer and Kirby Sand.

Sand scored again with just two minutes remaining to bring the Warriors within one point at 65-64. Castle hit ten seconds later to gain the only lead in the entire game, 66-65.

Sand hit a pressure free throw but missed the bonus to tie the game 67-67 with 21 seconds left. Buena Park then worked the ball to Kurt Rosenkilde in the corner where he threw up a 20 foot swish to win the game 69-67.

The loss ended Troy's Freeway League season at 5 wins, 9 losses. This poor record and sixth place finish in the standings is ironic considering the Warriors outscored their opponents by 39 points for the season and that Troy scored the third most points in its eight team league.

A few breaks and Coach Billy Morris's team possibly could have reversed roles with Buena Park and might possibly be headed for the playoffs themselves.

Team Tennis at Anaheim

World Team Tennis, the fast-moving, action-packed sport that enjoyed such success in Orange County in 1976, has announced a package of 10 matches for the Anaheim Convention Center in 1977.

The schedule includes one appearance by Chris Evert and the Phoenix Racquets. It will be the 22-year-old Evert's debut at the beautiful 7,200-seat arena across from Disneyland.

Among the other superstars who will be seen this spring and summer (the WTT seasons runs from early May through mid August) are Rod Laver of the San Diego Friars, Billie Jean King of the New York Apples, Rosie Casals of the Los Angeles Strings, Tom Okker of the Golden Gaters, Dianne Fromholtz of the Strings, Cliff Drysdale of

the Friars and Margaret Court of the Sea-Port Cascades.

Each of the 10 WTT matches will be played at 7:30 in the evening. A team tennis match consists of five different sets and lasts about two and a half hours.

Last year, WTT showcased six matches in Orange County and league officials were delighted with the results, particularly the last two nights when record-breaking crowds of over 5,000 turned out to see Evonne Goolagong and the Pittsburgh Triangles one night and Billie Jean King and her New York teammates on another.

It seems likely that there will be another record set when Evert comes to Anaheim. The two-time Wimbledon champion who

by Brian Hilderbrand

For the first time in six years, El Dorado will enter the CIF basketball playoffs without the title of Orange League Champions.

La Habra denied the Golden Hawks of a co-championship when the two teams met in the deciding game. The first place finishing Highlanders handed El Dorado a 77-48 loss. La Habra upped their league record to 12-2 with the win. ED closed out the campaign with a 10-4 mark, and will represent the Orange League in the playoffs as the second place team.

El Dorado was unable to control La Habra's three big men: Ted Whittington (6' 5"), Chuck Fitzgerald (6' 4"), and Scott Schamber (6' 3"). The three combined for 54 of their team's 77 points.

La Habra jumped to an early lead in the first period, behind Schamber's seven and Whittington's six point performance. At the end of the first eight minutes, the Highlanders held a 21-12 lead.

El Dorado's inability to get many defensive rebounds was their downfall in the second stanza. The Hawks couldn't stop Fitzgerald from taking second shots, resulting in seven points for the senior forward in the period. At the intermission, La Habra led by a score of 34-18.

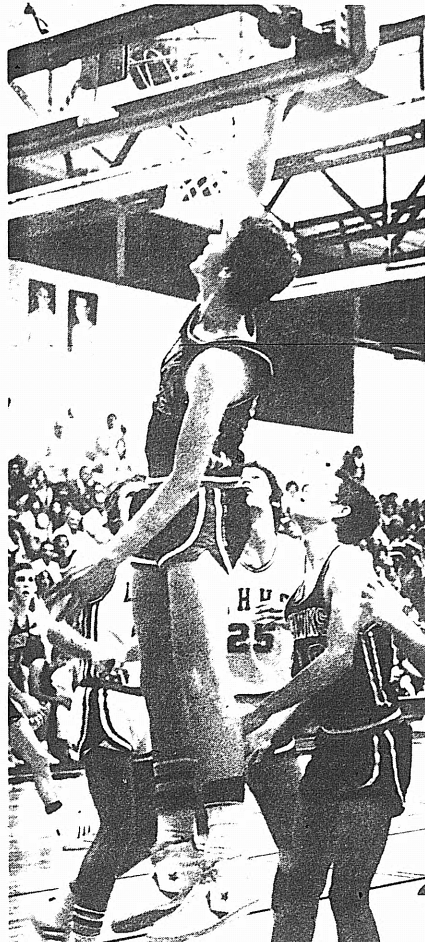

Three steals from ED's man-to-man press in the third quarter resulted in six points, allowing the Hawks to pull within 13 of their guests, the closest they would get the rest of the game.

John Heller of ED took the first steal in for a layup, and hit on a jump shot from the corner on another LH miscue. Jim Boyd made the score 30-43 with 3:05 left to play in the period with a pair of free throws.

Immediately after, the Clan ran off eight uncontested points. Baskets by Schamber and Whittington put La Habra up by 17, 47-30. The same then hit two charity tosses each as LH went up by 21 (51-30). A 20 footer and a jumper from the top of the key by Schamber and Glen Porter, respectively, put the score at 55-32 as the third period ended.

La Habra outscored their hosts 22-16 in the final period to secure the win.

Whittington, Schamber, and Fitzgerald were leading scorers for La Habra with 22, 19, and 13 points. Schamber also led the Clan in rebounds, nailing down 11. The Highlanders shot a

RARE OCCASION - Hawks Reid Poole and Jim Babcock work their way under the basket for an offensive rebound in the game against La Habra Friday night. Hawks rarely got that near the basket against the taller Clan. The loss still left

respectable 51 per cent from the floor (31 of 60), and hit 15 of 22 free throws (68 per cent).

El Dorado was led in scoring by Heller (14) and Reid Poole (12). The latter is a 6' 7" sophomore who was elevated to varsity for the last three games. Poole, who clawed in 11 rebounds against La Habra, will be instrumental in the play-

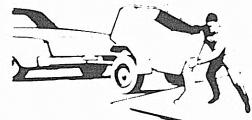

offs. For the game, El Dorado shot a dismal 28 per cent (22 of 76), and hit four of five charity tosses (80 per cent). Los Amigos, who won the Garden Grove League championship with a perfect 12-0 record, will be the Hawks first playoff foe. The Orange League second place team will travel to the

DOWN ON THE FARM

by Kay Starr

After the car broke down, I figured that nothing more or worse could happen, but I was wrong. This time it was the washing machine. I am beginning to believe that we have invented time saving devices just to make life more difficult. However, there is a point and that is, I am saving water and energy.

Even though we took washing machines apart at school, I am reluctant to do the same with my own machine. It's not some old thing that can be man-handled and left with its innards strewn about. Maybe I'll tackle it Saturday.

Don't you get a little thrill when you see your name prominently displayed? Truthfully it may not be "your" name, but then it feels like it. Of course, I've had more than my fair share in seeing my name displayed, but nonetheless when I found a street named "Starr" located in Stanton, it is exciting.

Now I am wondering what Starr is being so honored. Certainly the family has expanded since our arrival 20 years ago, at least judging from the number of names listed in the telephone directory.

My father-in-law's people came west about 1850, most going north to Oregon and just one or two heading for the San Francisco area. Now I know how George Kellogg feels about a street named for him.

BINGO GAMES will begin Thursday night, March 3 at the Placentia Boys Club in an effort to raise funds to complete the club's large facility. Executive director Al Rizzo stands in the room where the games will be played, holding some of the cards.

Bingo Starts At Boy's Club

In an effort to raise funds to complete their gymnasium, the Placentia Boys Club has announced regular Bingo games as a money-making project.

Bingo For Bucks will begin on Thursday, March 3. Al Rizzo, executive director of the club explains, in the front section of the club located at 132 East Crowther, Placentia.

The games will be held every Thursday night with the doors opening at 6:30 p.m. Action will start at 7:30 p.m. and the games are open to the public. The cost will be \$2.50 for three cards to play 12 Bingo games for cash, including a \$150 Jackpot game.

There also will be five special games including a

\$60 guaranteed Jackpot game each Thursday night.

No one under 18 will be permitted on the premises during the Bingo games, Rizzo stated.

The Boys Club director explained that profits from the games will be used to complete the organization's gymnasium and shop area. Club directors are now at work on a three room portion of the large building with funds that have been donated. The tentative opening date for the new facility is April 1.

Rizzo said that if the games show a profit to the club, gymnasium completion will begin this year "so the facility can serve the youth of South Placentia."

Further information is available at 528-8140.

High Honor for Steve

Steven Anderson of Cub Scout Pack 706 recently received the Arrow of Light Award, the highest honor a Cub Scout can achieve. Steven is the son of Mr. and Mrs. Ed Anderson of 5091 Torida Way, Yorba Linda. Steven is only the third member of this pack to receive this high award. He has been a member of 706 for two and one-half years. His favorite part of scouting is the campouts and sports activities.

Steven is a fifth grade student at Van Buren School where he plays the trumpet in the Advanced Band. He is an altar boy at St. Martin's Church. His hobbies include swimming, water polo and baseball. The Arrow of Light recipient recently graduated from Cub Scouts into the Boy Scouts.

of Mr. and Mrs. Joseph E. Kilgore of 1701 Cartlen Drive, Placentia, has reported for duty with Helicopter Anti-Submarine Squadron Light-37 embarked aboard the frigate USS Rathburne, homeported at Pearl Harbor, Hawaii.

A 1969 graduate of El Dorado High School, and a 1973 graduate of the University of California at Los Angeles, he joined the Navy in September 1969.

Hawk JVs Have Perfect Season

by Brian Hilderbrand

El Dorado's Orange League champion junior varsity basketball team ended their season undefeated as they overwhelmed the La Habra Highlanders, 66-40.

Iran Novick's squad compiled an unblemished 14-0 league record, 21-3 on the season. Under Novick, the JV's have won 40 consecutive O.L. games, and boast an 83-10 mark over the course of five years.

"The number one goal of the JV team is not primarily to win the league championship, but to prepare them to play varsity. I think they have accomplished as much of that goal as they could," Novick related.

El Dorado had two big wins last week, as they blew Fullerton out, 65-3

Rose Drive Baptist

The Rose Drive Baptist Church in Yorba Linda is planning a new auditorium. Due to overflow crowds the church went recently to two worship times on Sunday

morning. The new auditorium is designed by Ernest Clarke, a local architect. It will seat 550 people and will be of Spanish motif.

The Rose Drive Baptist Church was begun as a mission of the First Southern Baptist Church of Fullerton. The first meeting, March 1, 1964, was held in the home of Ed Bailey.

By the next week the mission had secured the facilities of the Kraemer Intermediate School in Placentia. These facilities were used until November 22, 1964.

This mission was a culmination of several efforts to establish a Southern Baptist church in the Placentia-Yorba Linda area. These previous attempts were made before the tremendous growth in the area, and the difficulties of securing property and building were too great a challenge for the small number of people enlisted.

Sometime in the latter part of 1963, Emory Collins, Preston Howell, and Ed Bailey met and again discussed the possibility of a work in this area and efforts were made to secure a place of meeting.

The Orange County Southern Baptist Association voted to make funds available for the purchase of property and the area missionary, Bro. Collins, sought a sponsoring church for the new mission.

A \$10,000 interim loan secured from the Baptist

Foundation at Fresno for initial payment on the property, and the First Southern Baptist Church of Fullerton voted to sponsor the work financially.

On January 7, 1964, Rev. Dale Kirkhuff was called to be mission pastor. Due to the joint efforts of the missionary and the Fullerton congregation, the mission was able to break ground for its new building on March 8, 1964.

The mission continued to grow until the new building was entered on November 22, 1964. The mission prospered and grew with many people coming to know Christ.

A spirit of mission giving characterized Rose Drive from the very beginning. The first Foreign Mission offering goal was \$350 and a total of \$390 was received.

In December of 1965, Rev. Carroll Gibson was called as mission pastor, and began his pastorate on January 9, 1966. On October 1, 1967, the Rose Drive Baptist Mission was formally constituted into the Rose Drive Baptist Church with a charter membership of 160.

Upon organizing, the sponsoring church discontinued its financial support and Rose Drive became a self sustaining church. A continuing program of outreach and giving has been promoted.

MR. AND MRS. DAVID W. DENNIS

Dennises Wed 60 Years

Mr. and Mrs. David W. Dennis, longtime residents of Placentia, celebrated their 60th wedding anniversary Friday, February 11, with additional festivities Sunday.

The Sunday celebration was held at the home of their daughter and her husband, Mr. and Mrs. Curtis L. Watson of Orange. An Open House was hosted in the afternoon.

Mr. and Mrs. (Alma) Dennis were married in Union, Nebraska and came to Placentia in 1928 from Falls City, Nebraska where they owned apple orchards. Until his retirement, Mr.

Dennis was employed by the Bradford family in their local citrus groves. Mr. and Mrs. Dennis lived in and maintained the pioneer Bradford Home on Palm Drive until 1974, living there 35 years.

Dennis is a Masonic Lodge member and has an avid interest in lapidary pursuits. Mrs. Dennis was formerly active in the Eastern Star and is a member of the Placentia Round Table.

The Dennis' grandchildren are Mrs. James Armstrong of Palm Springs and Mrs. Joyce Lane of Arroyo Grande, California.

Women's ORT Schedules Auction Sale

Sylvia Schmidt, Placentia resident and president of the Fullerton Chapter of Women's American O.R.T. (Organization for Rehabilitation Through Training), announced this week that Saturday, March 5th, at 11:30 a.m., will be the time on which the Fullerton O.R.T. Chapter will be holding its annual "Chinese

Bid and Buy Auction Luncheon".

The setting will be the picturesque Lake Room of the Los Coyotes Country Club in Buena Park. The auction committee has been collecting many valuable and interesting items for the sale. For further information, call 524-9712.

Appointments Named At Presbyterian

The Placentia Presbyterian Church has announced elders and deacons recently installed.

Included are elders: Ron Moore, Sue Watkins and Jennie Wong; elders previously ordained: Bob Epperson, Fred Lange, Carl Scanlin and John Towne; Deacons: Margaret Harenberg, De Nelson, Sherman and Betty Hensley and Richard and Jo Ann Anderson. Elder Jim Fuller unable to attend; the ceremony will be ordained and installed at a later date, the church advised.

GWEN MINES

Linda Vista PTA Honors Gwen Mines

Mrs. Gwen Mines, secretary to Don Anderson, principal of Linda Vista School, was honored by the Linda Vista PTA February 8, at a special meeting.

Mrs. Mines was awarded a PTA Honorary Service Award for her outstanding and unselfish service to the school and community.

Mrs. Mines, originally from Oklahoma, has lived in the Yorba Linda area for several years and has been associated with the YLSD for the past four years as a secretary to Anderson at the Rose Drive School and the new Linda Vista School.

She is married and she and her husband Bob have

two children. In addition to her regular duties as secretary, Mrs. Mines always finds time to be friends with all the students and parents helping them with their requests, questions and needs whatever they might be.

She gives unselfishly of her time and effort to help where ever she may be needed whether with the children, parents, teachers or the School District.

Her dedication and knowledge of needs and communication between the school and the community has been a great benefit for both. That is what it is all about.

Welcome Wagon

As part of the country shivers under a blanket of snow, the Placentia-Yorba Linda Welcome Wagon club will celebrate all of the glories of spring at their annual dinner dance, to be held March 5th in the Sky Room of the Grand Hotel in Anaheim.

A no-host bar will start the evening at 7 p.m., followed by dinner and dancing with music by the "Moonlighters".

Tickets are \$10 per person and are available by calling ticket chairwoman Nancy Zimmer at 993-1511 or Pat Hartman at 524-5153. Reservations must be made by February 28th.

Paine PTA Gives \$\$

The purchase of drapes for the new multi-purpose room at Mabel Paine School has been made possible through the presentation of a check for \$763.20 by the school PTA.

PTA Treasurer Carol Brickner presented the check to Dr. Sterling Fox, district superintendent, and Principal Dan Wilkinson.

It has been announced that the new school library will be opening very soon. Parents are needed to volunteer their time in the morning and afternoon to make the library operation successful.

Welcome Neighbor

WELCOMING NEWCOMERS SINCE 1951

Let us help you get acquainted in the community with civic organizations and local businesses.

A special invitation will be extended to join the Welcome Neighbor - Newcomers Club. Call OX 3-6615 if you are a new resident.

Denise Olivas Engaged To Henry Garcia

Mrs. Marie A. Olivas of Placentia has announced the engagement of her daughter Denise Olivas to Henry Garcia, son of Mr. and Mrs. Alfredo Garcia also of Placentia.

Miss Olivas is a 1975 graduate of Valencia High School and is currently attending Fullerton College majoring in elementary education. Presently she is employed by Placentia Social Services and Recreation Department.

Garcia is a 1974 graduate of Valencia High School and is employed by the University of California at Irvine Medical Center as a senior clerk for computer services.

They plan to be married July 16, at St. Joseph's Church in Placentia.

DENISE OLIVAS
HENRY GARCIA

Miss Placentia Tickets

Tickets for the Miss Placentia Pageant are now on sale at \$2.50 each. Children under twelve free. Tickets are available at the Chamber of Commerce office, Century Federal Savings, Wineman's Department Store, and HAZ Rental Center.

The community is encouraged to support this event, which will result in scholarships being awarded to the winning contestants.

Contestant applications are available at the Chamber office, Fullerton Savings, and the local high schools. The deadline for filing applications is February 25.

A letter has been sent to all local merchants, inviting them to become patrons.

Gold Key patrons, or sponsors. Two local businesses, Morris Plan and Century Federal, have signed to be sponsors.

Valencia 1967 Class Reunion Plans

The Valencia High School class of 1967 will be holding their 10-year class reunion on July 30, 1977.

The reunion will take place at Anaheim Hills Golf Course from 6:30 p.m. to 1 a.m.

Additional information is available at 524-8185 or 879-8795.

CFWC Day at Races

A Day at the Races at Santa Anita Race Course, planned by Orange District, California Federation of Women's Club on February 24, is expected to attract many club members and their guests.

One race that day will be named in honor of Orange District President, Mrs. Ralph C. Fore and she will have the opportunity to congratulate the winning jockey in the winner's circle.

Members and guests participating in the daylong event will have bus transportation to the track as well as reserved tables in the Santa Anita Club House terrace.

Mrs. Cramer To Speak At Round Table

Mrs. Esther Cramer, Director of Consumer Affairs for the Alpha Beta Company, will share her ideas concerning "How to be an Educated Consumer" with the Placentia Round Table members Wednesday, March 2.

A 10:30 a.m. Continental Breakfast will be served by the hostess committee at their clubhouse.

Mrs. Cramer has been listed in Who's Who in American Women for her industry and community contributions through the years. She has been actively teaching people how to keep abreast of current consumer needs.

Hernandezes Celebrate

John and Mary Hernandez, Placentia residents, who were married in North Platte, Nebraska, celebrated their 30th wedding anniversary here January 29.

A celebration party was held at their home with friends, neighbors, relatives, and children. Refreshments and cocktails were served with a special anniversary cake. Mrs. Hernandez wore a silver sequined gown for the occasion and Mr. Hernandez a blue suit.

The Hernandez children are Mrs. Arlene Casas of Riverside; Joe Hernandez of Stanton; Eddie Hernandez, Garden Grove and Mrs.

Soroptimists Fashion Show

Placentia-Yorba Linda Soroptimists are presenting their annual fashion show Saturday, March 19 at the Alta Vista Country Club. The theme is "Country Garden" and will feature Yorba Linda Mayor Hank Wedaa and three Miss Placentia candidates as models, in addition to some of the members.

Instead of the usual women's event, fashions will be shown for both sexes and a variety of ages.

For tickets contact a Soroptimist or the Yorba Linda Star. Priced at \$7.50, the tickets are considered a donation and are a primary fund raiser for the groups philanthropic endeavors.

Social Hour starts at 11:30 and the luncheon at 12. Raffle tickets for the Country Garden Basket of Gifts will be available at the luncheon, as well as from Soroptimists.

ENGAGED—Deborah Ann Corbett is engaged to David Daubenspeck.

Corbett-Daubenspeck

Mr. and Mrs. J.C. Corbett, Jr. of Placentia, announce the engagement of their daughter Deborah Ann Corbett to David Daubenspeck, the Junior High School Director of Ministries of the Garden Grove Community Church.

Miss Corbett is a graduate of El Dorado High School and Fullerton

College with a major in advertising. She is employed as a cost accountant with Frederick's Sales, Inc.

The groom is the son of Mr. and Mrs. Harry Daubenspeck of Holland Michigan and is a graduate of Hope College, Holland, Michigan and is now attending Fuller Seminary in Pasadena.

Bike Basics At Library

"Bike Basics with Seymour Safely" comes to the Placentia Library at 4 p.m. March 1 stressing the importance of eye safety and bicycle rules of the road.

The Southern California College of Optometry Student Auxiliary is sponsoring the puppet show event that includes a short Shari Lewis film presentation.

Seymour Safely was part of the national Save Your Vision Week program last year, and according to the Student Auxiliary president Sue England, the character will continue to be the star again this year.

The Shari Lewis film "Hush, Puppies' Bright Idea," tells children how to be safe by being seen while riding their bicycle, day or night.

Children from ages 4 to 8 are invited to attend the show. Parents are welcome to attend.

For further information regarding this program, contact Jeannie Jenkins at the Placentia Library at 524-1906.

Resuscitation Class At Fire Station

The Junior Round Table of Placentia in cooperation with the Orange County Fire Department California Department of Forestry is sponsoring a Cardio-pulmonary Resuscitation class for all interested residents.

The sessions will be held in March at Fire Station 34, 1530 North Valencia, Placentia, and will be limited to 15 adults per class.

CPR Instructor Captain Dave Buck stresses that the technique can be used to sustain the life of a heart attack victim until the Fire Department and Paramedics arrive. According to Buck, it is simply breathing for the patient and assisting his blood circulation. At the present time, nearly 50 city employees have received instruction in this procedure.

For further information, contact Linda Ziegler, Local Safety Chairman, at 524-2905 or Tryna Morton at 528-2707.

Teachers Want More Benefits

[Continued from Page 1]

examining members, personnel files except for confidential placement papers. The unit member would have access to his personnel file and the right to attach a response or request removal of materials.

Should the manager of personnel services refuse to remove material as requested, the unit member may file a grievance.

Also requested is that material of a negative or derogatory nature in a unit member's personnel file shall be destroyed after remaining in the file for two years.

Yearly wages requested by the teachers would advance from the beginning \$10,934 to \$26,679 for nine month's work, after 23 years of service and meeting extra educational criteria.

A long list of extra duty pay also is included in the proposal.

Other demands are that the district shall provide all unit members and their dependents with Blue Cross or equal coverage including physical examination for member and spouse and prescription drug coverage on a \$1 deductible basis.

Fully paid dental and vision plans

for members and their dependents is included and the district "shall provide a fully paid \$20,000 level term life insurance policy" for each member.

A number of different kinds of leaves are outlined in the proposal including three days for fatherhood.

Among other demands are release time for association business, a paid leave with full salary and benefits for the PUEA president according to the schedule submitted, and use of school mail.

The district office is required to collect the fees for PUEA by taking it from paychecks. The association also seeks unlimited use of school equipment, building and facilities including typewriters, mimeographing machines, other duplicating equipment, calculating machines and all types of audio-visual equipment when such equipment is not otherwise in use.

Authorized representatives shall be permitted to transact official association business on school property and the district shall place PUEA business first on its meeting agendas.

The proposal also calls for a Faculty Liaison Council to meet with

immediate supervisors once a month "to discuss local school problems and practices and/or association business."

Limits also are placed on class sizes, running roughly from 25 to 28 students per teacher. Leeway is allowed when scheduling, facilities and growth patterns may affect class size.

Another provision is for a five member PUEA committee to meet with the assistant superintendent of schools monthly "to provide unit member decision-making on curricular matters."

The next step in the collective bargaining process, which was established by state law last year, is the presentation of district management's contract proposal at the March 14 board meeting. Following a public hearing on March 28, management and teacher negotiating teams will begin working on a contract acceptable to all parties.

Copies of the contract proposed by PUEA are available for the public to read at all district schools and in the public libraries of Placentia and Yorba Linda and the Placentia City Hall.

McClendon Asks College Post

[Continued from Page 2]

present at all meetings. I have a 100 per cent attendance record at board of trustee meetings at the Yorba Linda Library and I would intend to maintain that record unless I was extremely ill and couldn't make it."

"I think it is very important for public office holders to be accessible to the public in general for obtaining input from their constituency and I think many office holders, once they get elected, tune everybody else out and are not open and receptive to input from the community. I want people to be able to get in touch with me."

Sports

**MORE SPORTS
ON PAGE 9**

Bob Phelps Has Way With Kids

Bob Phelps is a physical education specialist for the Placentia Unified School District. He is providing expertise to the Yorba Linda YMCA instructional league program.

Phelps has helped the local YMCA develop a year-round sports learning program for 6, 7 and 8 years olds, and he supervises each season.

In the winter, there is basketball, which is now underway; in the spring, T-ball (Baseball without a pitcher) is taught; in the fall, he runs a special form of instructional football called passball.

The programs are run at Fairmont School for two months during each season. The goals are to teach body development, sports skills, sportsmanship, teamwork and how to have fun playing the game. Thus far, 330 youngsters have participated in baseball, football and basketball.

Presently, Phelps, who holds a degree in recreation from Long Beach State College, is directing the basketball program. Every Tuesday and Thursday, after school, he runs practice for 100 kids.

According to parents, his ability to organize and teach children is extraordinary. Gary Huff, Director of the Yorba Linda YMCA states that he has never encountered a better coach and teacher of children.

"Bob Phelps is incredible. He is constantly thinking when he teaches kids and they always listen and respond to him. He can handle more kids effectively than any leader I've known."

Basketball ends March 2nd. On April 11th, the baseball (T-ball) program will begin and run until the first week of June. A very large turnout is expected. Sign-ups begin February

Tigers Outswim Magnolia

The Valencia High School swimming team overwhelmed Magnolia High School by a score of 113 to 55.

Posting victories for Valencia were Ray Borzone,

Greg Davis, Steve Valdez and Dave Thow. The medley relay was won by the team of Ray Borzone, Kevin Klem, Steve Valdez, and Chad Nichols. Doing well at the frosh-soph level were Stacy Rudolph and Jay Cruz, each winning two events.

The Valencia "Tigerfish", under the coaching of Tom Grimm, Bob Fullmer and Kevin Phillips, now stand at three and two for the season.

Valencia will continue with Orange League competition Wednesday, March 2, at Sonoma High School at 2:45 p.m.

BALL HANDLING exercise for the fundamentals program conducted by the Yorba Linda YMCA is directed by Coach Bob Phelps who is teaching youngsters how to dribble correctly. (Debbie Conkey Photo)

Hawks Second In League

(Continued from Page 7)

Fountain Valley school on Friday for a 7:30 p.m. game.

If the Hawks win on Friday, they will face, next Tuesday, the victor of the Corona del Mar Aviation contest. In accordance with CIF rules, the second round game (and all those following) will be played at a neutral site.

Somerville Joins Firm

Charles J. Somerville, a resident of Placentia, has recently joined the staff of Red Hill Realty in Fullerton according to Lou Avery, manager.

Somerville was in the real estate business in Wayne, Michigan, prior to his coming to California. He and his wife reside in Placentia. They have six children.

Pop Warner Registration

Pop Warner registration for Placentia-Yorba Linda will continue on Saturday, February 26th from 9 a.m. to 3 p.m. Registration will be held at 4601 Casa Loma, Yorba Linda. Birth Certificates are required. The donation is \$30 for one and \$45 for two or more players per family.

16621 YORBA LINDA BLVD.

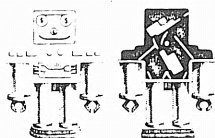

Our World doesn't end on Saturday.

We're open Saturday!
Join us for our Free Breakfast
plus a Free Robot Bank.

We'd like to make your life a little easier. So in addition to our normally long hours (9 to 5 weekdays, 9 to 6 Fridays), our Yorba Linda office will be open every Saturday from 9:00 in the morning until 1:00 in the afternoon.

Which means you can now take care of your financial affairs on Saturday. In between your stop at the market and your trip to the hardware store. When it's convenient for you.

Visit us this Saturday and we'll treat you to free coffee and some of the best Danish pastries in town. We'd also like you to take home a free Robot Bank. A mechanical marvel that sorts coins automatically, then stores them in his arms and legs.

And while you're at World, ask us what makes World so different from your present bank or savings and loan. We'll tell you about such extras as...

Unsurpassed Interest.

No bank or savings and loan pays higher interest on insured (to \$40,000 or more) savings. And our high interest rates on term accounts are guaranteed. Ask how your savings at World can earn:

5.25%/5.39% to 7.75%/8.06%

Annual interest rates on various types of deposits. Interest rates on various types of deposits. Interest rates on various types of deposits.

The amazing "Free World Package."

Most institutions charge a fee or demand a high minimum balance for the services in our Free World Package. But at World, all five of the following services are absolutely free. No minimum balance requirements. No hidden charges.

1. Free Travelers Checks. Up to \$1,000 worth each year.
2. Free Money Orders. Up to five each month.
3. Free Notary Service. A licensed

notary on staff.

4. Free Keogh or IRA Trusteeship. We waive all fees for the life of your account.

5. Free Senior Citizen Checking (62 or over). Enjoy free checking through a major statewide bank.

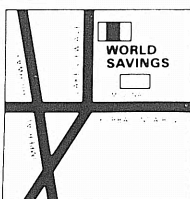

World also offers many other free services to anyone maintaining a balance of just \$1,000. Like a free safe deposit box, free checking through cooperating banks, and even substantial discounts on Hertz car rentals.

There's more to our World than we could ever put in this space. So join us this Saturday for breakfast.

You'll see. There's just nothing, anywhere, quite like our World.

(Breakfast and bank available this Saturday only)
